| | 4.畢業學分為38學 (1)必修20學分。 | 分。 | | | | |

(1)必修20學分。 (2)選修12學分(限上表所列之選修課程),各組選修若達4門(含)以上,畢業時系上另頒予領域(組別)證明。

(3)論文 6 學分(通過學位考試並繳交通過審核論文後給予)。

2.須達英文畢業門檻方可畢業。

備註 Additional Notes

- 1. Completion of 38 credits is required for graduation.
 (1) Required courses count for 20 credits.
 (2) Elective courses count for 12 credits (limited to the elective courses listed above). The Department will issue a certification to any student who has completed at least 12 elective credits in the same ñeld.
- (3) Thesis counts for 6 credits. (Credits will be given after passing the master oral examination and submitting an approved thesis.)
- 2. Students must meet the English standard requirement in order to graduate.

 3. Course Prerequisites: Students must have passed Seminar I in order to take Seminar II.
- Foreign students are permitted to take a course from the College's other Departments when a course, with the same title, is not offered in English by this Department. Similar courses with different titles offered by other Departments have to be approved by a Department Affairs Meeting before they are granted as "in Lieu of".
- . The course of Business Analysis and Valuation, offered by the School of Business, can subtitute for the Financial Data Analysis in Contemporary Business course (in the Financial Management and inTech Track). The former can also be counted as an elective course in this Department.
